## Directory, Media Release, and Online Accounts Opt-Out Form

Please read the following sections, mark the appropriate boxes, sign, and date to indicate your agreement:

### Directory and Media Release

The Marblehead Community Charter Public School celebrates the accomplishments of its community members. It is an integral part of our mission to recognize students as they achieve their highest intellectual, artistic, social, emotional, and physical potential. Part of this recognition may include sharing information with the entire community regarding students' accomplishments, programs, and school events. This information is shared via sources like email, the MCCPS website, and outside media outlets such as the Marblehead Reporter. We also share contact information only through our MCCPS Student Directory, which we distribute to all MCCPS families.

The Marblehead Community Charter Public School wants to balance the sharing of information with parents and students' wishes for privacy. We provide this form if families wish to withdraw from sharing this information. Parents can choose to change the status of this media release at any time by contacting the Technology Coordinator (mcronin@marbleheadcharter.com).

### Online Account Information

MCCPS also provides online accounts for students' work and parents' access. Currently MCCPS offers the following services:

- PowerSchool (<https://marbleheadcharter.powerschool.com>): Grading, attendance
- Khan Academy (<http://www.khanacademy.org>): Online math instruction
- Google Apps Edmodo - Schoology (<http://www.google.com/enterprise/apps/education/benefits.html> and <http://about.edmodo.com>, <http://schoology.com>): Curriculum, Document, and website collaboration
- Discovery Education (<http://www.discoveryeducation.com>): Curriculum Multimedia

These services are integral parts of the MCCPS curriculum. These accounts store the student's username, password, and work related to their account. Parents and students can access these services from home and school using a web browser and internet connection. Just like any technology service from MCCPS, this service is subject to guidelines stated in the Acceptable Use Policy in the Student Parent Handbook. Parents can choose to change the status of these online accounts at any time by contacting the Technology Coordinator (mcronin@marbleheadcharter.com) or Executive Asst. to the Head of School (phaley@marbleheadcharter.com)

	Please check the box to OPT OUT:
<b>Media:</b> I hereby give MCCPS permission to include my child and their work in photos, videos, or audio clips for public communications; including written, web site, television, and audio productions. <u>I understand that my permission will continue during my child's enrollment at MCCPS until such time as I revoke it.</u>	<input type="checkbox"/>
<b>Online Accounts:</b> I hereby give MCCPS permission to create accounts for my child using the services listed in the Online Account Information section. <u>I understand that my permission will continue during my child's enrollment at MCCPS until such time as I revoke it.</u>	<input type="checkbox"/>
<b>Directory:</b> I hereby give MCCPS permission to include our family's address, email addresses and home phone number. <u>I understand that my permission will continue during my child's enrollment at MCCPS until such time as I revoke it.</u>	<input type="checkbox"/>
